Dear Mike and the Members of the Off-Camber Crawlers,

On behalf of the Child Life Department at Inova Fairfax Hospital for Children, I would like to thank you for your very generous donation of toys for our pediatric patients during the holidays.

Your donation of toys helped to bring smiles to many of our patients on Christmas Day. Santa helped the Child Life Department pass out toys to more than 70 patients. We especially appreciated the great off-road and vehicle toys. The families also appreciate people like you two who think about hospitalized children during the holidays.

Again, thank you for taking time out of your busy schedule to drop off your donation and for thinking of the kids here at Inova Fairfax Hospital for Children. We wish you and your friends a happy and healthy New Year.

Sincerely,

A handwritten signature in black ink that reads "Carrie Bullard".
